## WELCOME TO ICOEH 2016

We are very pleased to invite you to participate in the **3rd International Conference on Occupational and Environmental Health (ICOEH 2016)** to be held at New Delhi, India from 23-25 Sept. 2016.

### CONFERENCE PATRON

**Dr. Jagdish Prasad**  
Director General Health Services,  
Ministry of Health and Family Welfare,  
Govt. of India

### ADVISORS

**Dr. S Venkatesh**  
Director,  
National Centre for Disease Control,  
Ministry of Health & Family Welfare,  
New Delhi, India

**Dr. N N Mathur**  
Principal,  
VMMC & SJH, New Delhi, India

Capitalizing on the two previous successful conferences (ICOEH 2013 & ICEOH 2014), held at an interval of one and half year, we are ready for the third one with the theme of **Clean, Safe and Healthy Environment: From Home to Workplace**, which is also in tandem with the themes of Govt. of India, "Clean India and Make in India".

The conference intends to provide the requisite platform to all the participants to present their research, exchange the ideas, networking and develop memorable professional friendships.

In addition to the conference, our international colleagues will be providing platform to enhance the practical skills through various pre-conference workshops. We sincerely hope that the outcomes of the Conference will help us meet our challenges through enhanced knowledge, skills and actions.

September being a good time to be in Delhi, and in North India. Pleasant weather will add to the taste sensualising Indian Cuisine. Do spare a day or two to roam around the historical city of Delhi or visit one of the Wonders of World, TajMahal at Agra, just 200 km from the conference venue.

***We extend a very warm welcome to you all!!!***

## ABSTRACT SUBMISSION INSTRUCTIONS

ICOEH uses an electronic process for the submission of abstracts. Submitting authors need internet access and an e-mail address. Electronic submissions must be received by 11:59 P.M. IST on **Friday, July 15, 2016**, to be considered for inclusion in the program.

When preparing an abstract for submission, please carefully follow the instructions below:

- All abstracts must be prepared in plain text, in English with no embedded symbols or formatting characters. Submissions should not include charts, graphs, tables or references. Please spell out the symbols (alpha, beta, microns, picomolar, etc.) or translate them (mean, chi square, etc.) in your abstract submission.
- Limit the abstract to 300 words in length (including spaces but NOT including title, authors or affiliation information). Include names of the authors and the corresponding author's name and address.
- Please provide a complete mailing address, including e-mail address, with your submission. The ICOEH Office will communicate with the corresponding author through the e-mail address that is given at the time of submission. Should this e-mail address change at any time, please notify the ICOEH Office immediately so that you receive timely correspondence regarding your abstract submission.
- Proofread your submission. If included in the program, your author-prepared abstract will be published exactly as it appears on your electronic submission. ICOEH will not be responsible for author's errors.  
Consider submitting your abstract earlier than the deadline. ICOEH welcomes early submissions!
- Each corresponding author will receive an e-mail confirmation from the ICOEH Office. Please keep a copy of this confirmation e-mail.
- The selected and presented papers will be published in the **Journal of Advanced Research in Medicine/ International Journal of Preventive, Curative and Community Medicine**. For preparation of full paper, kindly follow the instructions given for authors at the journal website (<http://adrpublications.com/Guidelines-to-prepare-a-manuscript.html>)
