

4th INTERNATIONAL CONFERENCE ON OCCUPATIONAL & ENVIRONMENTAL HEALTH

February 13-17, 2019 New Delhi

Organized by : Association of Occupational & Environmental Health (AOEH), Dept. of Community Medicine, Lady Harding Medical College & Vardhman Mahavir Medical College and Occupational Health & Safety Management Consultancy Service (OHS-MCS)

Pre-conference Workshop Stress and Burnout management at workplaces (14th Feb 2019)

When a bridge is carrying too much weight it eventually collapse. Same principle applies to humans, with ever increasing demands, challenges and competition at workplace stress creeps in and if not managed wisely may have an effect on the other spheres of life like health, family etc. Stress isn't avoidable but yet it is manageable. A key action in order to minimize risk is to identify stress related problems as early as possible so that action can be taken before serious stress related illness occurs.

According to International Labor Organization, stress is recognizes worldwide as a major challenge to employee's health and organization healthiness. Corporate sector these days is much aware of such issues and stress management has become one their prime responsibility, not only for their business flagship but as a socially responsible organizations.

This workshop will provide you to strengthen up your public relations, as this common platform will be shared by scholars, doctors, practitioners of occupational health, environmental science, ministry of health, labor, environment and forest, renewable energy, industry, mines, agriculture, HRD, law etc.
